

Con

Con

Con is designed by Lars
Tornøe for Fora Form

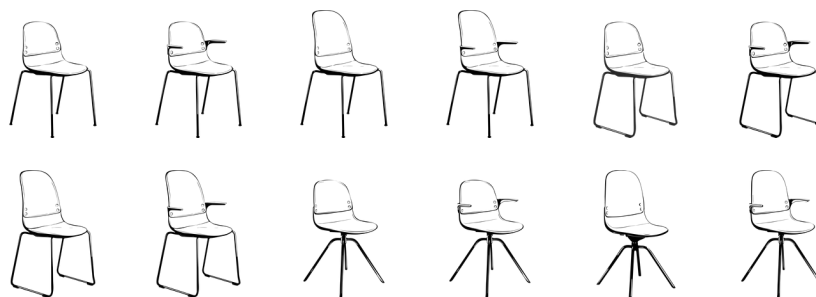

Inspired by Japanese armor with overlapping elements, Con is a sleek chair series where the combination of different materials defines its design expression. With three different base options, two material choices for the back, and the possibility of armrests, Con is a chair for those who love to play with material, color, and finish.

- ★ **The integrated seat cushion combined with a veneer back gives the best in form and function.**
- ★ **The ability to adapt the material of the top shell is a unique function that turns into a design detail.**
- ★ **Con offers a wide selection of bases to best fit the space requirements.**

Technical information:

- Back in upholstered, laminated in varnished, smoked, laundered or black-stained oak.
- Con also comes in leather.
- Con has fabric requirements. Fabrics must be approved by Fora Form.
- The buttons are delivered in the same design as the base.
- Chair hanger in RAL7012
- Bar stool: stackable, chrome, black, white or metallic epoxy base. Foot rest always in chrome. NCS / RAL colored base on request. Plastic glider.
- Four legs/sled base: stackable, chrome, black, white or metallic epoxy base. NCS / RAL colored base on request. Plastic Glider.
- Swivel base: chrome, black, white or metallic epoxy base. With swing and move function. Plastic Glider.

Models:
