

# ARC

# ARC

Renowned for its comfort, function and versatility the ARC One lecture theatre seat is ergonomically shaped with a contoured back and focuses particular attention on lumbar support and encouraging correct posture.

It is also highly customisable with the option for higher backs and acoustic dampening. The ARC One is compatible with the market leading Wrimatic™ integrated tablet and available as a [Turn & Learn™](#) system, supporting collaborative learning pedagogies. Fixed writing ledges are available in a multitude of colours and styles.

The ARC One lecture chair is available as a floor, beam or riser mounted seat and is virtually maintenance free. Lecture theatres achieve excellent utilisation of space with this seat which is suitable for both radial and straight layouts.
