

Knekk

Knekk

**Knekk is designed by
Jon Fauske for Fora
Form**

The Knekk bar stool is designed to fit the different stages of a creative workshop. The horizontal part of the seat provides for reflection and relaxation. The askew part of the seat gives direction for active interaction and support new and innovative processes. Knekk was designed by student Jon Fauske and communicates Fora Form's values in a young and surprising way.

The modern wooden oak stool can be stacked and has brass details.

Technical information:

- Bar stool in natural solid oak
- Footrest brass cover
- Seat cushion in 5 mm wool felt
- Stackable 3pcs

★ **The Knekk stool is an instrument to facilitate effective creative workshops**

★ **Knekk stool is specifically designed to ensure engaged and attentive participants**
