

ProSeat

ProSeat

ProSeat is our exclusive auditorium chair. The concept is built around a bearing "backbone" to which all parts are attached. ProSeat has a design for great flexibility and tailoring, which allows for variations tailored to the customer's needs.

Can be installed in all types of floors, on steps and steps. Interchangeable seat and back cushion for easy maintenance. Upholstered seat and back in molded cold foam. Simple writing boards come standard in veneer or laminate with solid edge moldings. Also comes with a foldable writing plate in the armrest, type Wrimatic. ProSeat can be mounted in a bow.
