

Cup

Cup

**Cup is designed by
KnudsenBergHindenes
for Fora Form**

The Cup table is designed by the trio Knudsen, Berg and Hindenes. The coffee table is a visually light table that fits in most spaces. With two heights, two colors and two base heights, one can play with different expressions. The tabletop is made of environmentally friendly sound-absorbing integral foam that provides a soft silky matte surface.

Technical information:

- Table top: integral foam with steel plate inside in light grey and dark grey.
- Base in oak, black stained beech, dark stained oak or white washed oak.
