Camp table

Camp table is designed by Anderssen & Voll for Fora Form

The Camp table is a lower lounge table designed by Anderssen & Voll.

The shape of the squircle shaped table top, is a rounded square, great for public areas. No hard lines and a functional, soft shape that makes the table fit into several areas.

The table top is available in two different sizes and in two different heights. The result is a table that can stand between two chairs, used as a side table or as part of larger seating groups.

The base has a silky soft textured surface.

Technical information:

- Table top in 25 mm squircle shaped MDF with sloped profile and edge similar to the veneer.
- Base in structured epoxy coating from Jotun Sahara Collection.
